

If You Died Right Now

By: Michael Hevener

Chorus

If you died right now would you know that you'd go to heaven?
Would you get to walk upon the streets of gold beyond the crystal sea?
If you're not sure you'd go to heaven, listen right now my friend.
Jesus loves you, He came to die for you and then He rose again.

Verse 1

I was sitting alone at church one Sunday morning
I didn't even know why I was there
When the Word of God was read
Questions rolled through my head
The preacher stopped and this is what he said.

Repeat Chorus

Verse 2

When I got home I turned on the TV
To check the NASCAR race to see if my guy would win
As they roared around that track
My mind kept wandering back
And those words kept ringing in my head.

Repeat Chorus

Bridge

It was then and there I knew I needed Jesus
To save my wretched soul from the gates of Hell
I fell on my knees and prayed
God save me today
And that's why I can stand up and proudly say

Final Chorus

If I died right now I know that I'd go to heaven?
I would get to walk upon the streets of gold beyond the crystal sea?
I wasn't sure I'd go to heaven, but now I am my friend.
Because Jesus loves me, He came to die for me and then He rose again.

You know Jesus loves you, He came to die for you and then He rose again.
